

Welcome to the University of Applied Sciences Wildau

The University of Applied Sciences Wildau is one of five universities of applied sciences in the federal state of Brandenburg. It is located very close to Germany's capital city, Berlin, which is easy to reach from Wildau by local train.

The conference is organized by the University of Applied Sciences Wildau, Faculty of Business, Administration and Law.

Conference Topics

- Presentations from all areas of mathematics, statistics, social sciences, business research, and economic sciences are appreciated. See Call for Papers for detailed information.
- After the conference selected papers will be published in reviewed conference proceedings with ISBN. This book will be distributed via Amazon as well as other channels.

Schedule

- The conference will take place from Thursday, September 13th to Sunday, 16th 2012.
- Presentations, parallel sessions and social events are a part of the conference schedule and included in the regular fee. An earlybird discount is offered.

Directions

- Regional Train (S-Bahn) from Berlin downtown in only 30 minutes to the university campus.
