University assistant position (Postdoc)

(Chiffre MIP-7252)

The department of mathematics at the University of Innsbruck offers a full-time university assistant position for four years in applied mathematics. A possible starting date for the position is November 1st, 2012.

The successful candidate should have a PhD or a doctoral degree in technical mathematics or a related subject, preferable in the fields of inverse problems, tomography, image processing, optimization and/or partial differential equations. We are looking for talented, self-motivated individuals having the ability to cooperate with scientists working in applied sciences. Good programming skills are desirable.

The teaching duties of the position are four hours per week and payment will be in accordance with the collective bargaining agreement (§49, para. III(b)). Closing date for applications is October 10th, 2012.

For further requests please contact

Mrs. Sandra Steixner (E-Mail: sandra.steixner@uibk.ac.at)

Please send your written application including a current CV to
