Bonn, 08. Dezember 2016

Rundschreiben Nr. 69/2016
New terms and conditions for e-learning, § 52a Urhebergesetz (UrhG)

To whom it may concern,

due to recent jurisdiction and pending negotiations with the VG Wort, the German organisation that administers copyright exploitation rights, it is required to strictly comply with the following changes:

All copyrighted *texts* made available through eCampus or other servers of Bonn University, which are subject to German intellectual property law (§52a UrhG) and for which no campus licence or CC licence has been granted, have to be deleted by Dec 31, 2016.

For further information please refer to advisors in your institute, the University Library (urheberrecht@ulb.uni-bonn.de) or the recent announcement "Rundschreiben Nr. 68".

Best Regards

Gez. Prof. M. Hoch
