

# Course Announcements for the Winter Term 2021/22

**Deadline: Friday, 28 May 2021**

Name:

**Please note:**

**Time and place** need only be given for 3rd or 4th-semester lecture courses of the Master study program and for seminars. The places and times of lecture courses in the Bachelor study program and for the first and second semester of the Master study program are already fixed. They can be seen in our course overview of the upcoming term ([Files for lecturers](#) > *Documents Relating to the Planning of Courses and the Reservation of Rooms*). **Changes** can only be made with good reason, after consulting the Bachelor-Master office.

Module code	Module name (including subtitle <sup>1</sup> )	Study program <sup>1</sup>	Place / Time <sup>2</sup>

Please return the filled form to:  
Bachelor-Master-Büro Mathematik, Dr. Antje Kiesel, Endericher Allee 60, 53115 Bonn  
Fax: +49-(0)228-73-3701, [bama@math.uni-bonn.de](mailto:bama@math.uni-bonn.de)

----- Please note also the explanations overleaf. -----

\* It is possible to note individual subtitles of modules on the transcripts of records and on the final certificates of the students, e.g. „Advanced Topics in Algebra – Hall Algebras“. Please make use of this and indicate a subtitle for all **seminars** in the Bachelor and Master programs and for all **Advanced Topics** and **Selected Topics** modules in the Master program. Only if you announce your subtitle on this form it will be put into the examination database. It is not sufficient to announce it on your own webpage of the seminar or the lecture course.
