

Colloquium

to mark the inauguration of the

Bethe Center for Theoretical Physics

**Großer Hörsaal
Mathematisches Institut
Wegelerstr. 10
53115 Bonn**

**Friday, 07th November 2008
at 14:00**

- 14:00 **Introductory talks and greetings**
- 14:30 **Gerald E. Brown, Stony Brook**
Conducting Hans Bethe Down the Path
to Nothingness and Black Holes
- 15:30 **Coffee Break**
- 16:00 **Gerardus 't Hooft, Utrecht**
Black holes in elementary particles
- 17:00 **Gang Tian, Princeton**
Geometry of low dimensional manifolds
- 18:00 **Reception**
